

Canastota Youth Wrestling Challenge Letter – 1/21/2008

To all Section III Youth Wrestling Organizations –

As a show of appreciation to everything that the webmaster of sectioniiiwrestling.com – the Canastota Youth Wrestling Program is donating \$250 to the Friends of Section III Wrestling Organization. Our program has grown substantially in the last four years and we owe a great deal of gratitude for the success of our recently held youth tournament to the website. Our club feels that this is a worthwhile cause for the future of Section III wrestling and want to be in on the ground stages of this venture. The success of the Friends of Section III Wrestling will benefit our current youth wrestlers in the future and we hope that other youth organizations will feel the same way and join us in this worthwhile cause.

Canastota Youth Wrestling was fortunate enough to reap the rewards from hard work as the host of the Titledown Youth Tournament on January 13, 2008 and thus would like to return a portion of these rewards to this cause. We challenge other youth organizations to pledge what they can and look towards the future for our youth wrestlers. We challenge Varsity Wrestling organizations, Referee Wrestling Organizations and businesses as well to pledge a portion of their fund raising efforts to this cause. If your organization is unable to make a donation at his time than volunteering to help raise money is also an option.

We thank the webmaster of sectioniiiwrestling.com and the Canastota Youth Wrestling Club pledges it's support in dollars and with volunteers for future fund raising efforts.

Sincerely –

Canastota Youth Wrestling Club
